### 1. PROMOTIONS DURING THE SHOW

No advertising, demonstration or canvassing for business shall be carried out anywhere else within the exhibition venue except at the exhibitor's own booth. No exhibits or advertising signs shall be placed outside the confines of the exhibitor's contracted area.

### 2. OPERATIONS OF BOOTH

- 2.1) All booths must be staffed and operational throughout the opening hours of the exhibition.
- 2.2) All Exhibitors' staff must wear Exhibitor Badge issued by the Organizer for identification and are advised to be present at their booth at least 30 minutes before the opening hour and leave the Exhibition Hall not later than 15 minutes after the closing time.
- 2.3) All activities of the Exhibitors and / or their staff must be confined to their booth area. No advertising or business activity shall take place elsewhere in the Exhibition Hall.
- 2.4) No photos / video taking or sound recording is allowed in the venue unless prior approval is given by the Organizer.
- 2.5) Exhibitor who plan to hold special promotional activities (e.g. Performances, special/limited offers) in their booth and lead to a long visitor queue in particular of affecting neighboring exhibitors, is required to contact the organizer / venue for the onsite crowd management prior to the show opens. Please refer to **point 9.5** for the Crowd management service for details. Any complaints raised which the Organizer finds justified, the Organizer reserves rights to stop the activity immediately until the situation is in control.
- 2.6) No exhibit should be allowed to be removed from the booth or exhibition venue once the exhibition has been officially opened unless special permission has been given by the Organizer. And no booth or exhibits should be dismantled before the official closing time of exhibition on the last day of the exhibition.

### 3. EXHIBITOR BADGES & ADMISSIONS TO THE EXHIBITION

Badges will be issued as an Entrance Permit into the Exhibition Hall and should be worn and displayed whenever you are inside the Exhibition Hall during the move-in, exhibition and move-out periods. Badges are strictly non-transferable and should be torn apart before disposal. In case of loss of badges, please inform the Organizer immediately.

- 3.1) Please fill in Form 2 in exhibitor zone to apply Exhibitor Badges.
- 3.2) Applied Exhibitor Badges can be collected at onsite Registration Counter during move-in days. You're required to give your **business card** when collecting badges. If you assign contractor to collect the badges, please provide Letter of Authorization and your business card for collection. For Counter opening hours, please refer to [Move In & Out Schedule](#).

### 4. INSURANCE, LIABILITIES AND RISKS

- 4.1) All exhibitors should insure, indemnify and hold the Organizer and the venue owner harmless in respect of all costs, claims, demands and expenses of the exhibitor upon any person or things at the exhibition venue during the move-in, exhibition and move-out periods.
- 4.2) Exhibitors are strongly advised to insure their exhibits or other valuable properties against theft, loss or damage including the risks of fire. They should also provide an insurance coverage for their own staff against injuries and third party liabilities for visiting their booth. For details of Exhibitors Insurance Arrangement, please consult your own insurance company or CMA Insurance Agent Ltd who provides standard insurance package for exhibitor. For Raw Space exhibitors, exhibitors are required to buy related insurance for booth constructions (e.g. Contractor All Risks, Third Party Liability (Public Liability)), please check on **point 5.2** for more info.
- 4.3) The Organizer should not in any event be held responsible for any restrictions or conditions which prevent the construction, erection, completion, alteration and dismantling of stand, or for any of the services or amenities provided at the exhibition centre or for the cancellation or partial opening of the exhibition either as a whole or in part or for the amendments or alterations to all or any of the Rules & Regulations caused by circumstances beyond the Organizer's control.
- 4.4) Due to health and comfort issues, smoking in the exhibition centre is prohibited and HKCEC is a smoke-free venue effective **from 1 January 2006**.
- 4.5) Any person entering the hall, when vehicles (autos, trucks and/or forklifts) are being operated in connection with move-in or move-out of the Stands, Temporary Structures or other installations, will be required to wear a reflective safety vest.

### 5. STAND DESIGN & CONSTRUCTION

All construction and decoration materials should be fire-retarded and conformed to the fire protection and construction regulations. All draperies, curtains and decorative shall be made of fire resistant material and conform to standard. Exhibitors or Contractors shall arrange the work to be carried out by a Class 2 Registers Fire Service Installation Contractor, and submit a fire certificate (FS251) to this effect from the fire Contractor to the Organizer as documentary proof of compliance on move-in day. Hay is strictly prohibited to use at the venue, regardless with or without fire proof treatment.

#### 5.1) **Standard Booth / Package Stand**

- a) Booth types: Standard Shell Scheme and Upgrade Shell Scheme including side / back panels, carpeted floor, fascia with company name in English & Chinese(if any), booth number and other standard fittings included for different package stands.
- b) Booth facilities listed above are subject to change at the discretion of the Organizer without prior notice.
- c) For ordering of additional booth facilities such as furniture & electrical fittings, please contact the Official Contractor.
- d) No drill, screw, paint, nail or fixture of any kind are allowed to be affixed onto the partitions, floor or ceiling. Exhibitors are liable to any damage to their booths, fixtures & fittings and the Exhibition venue.

#### 5.2) **Raw Space**

- a) Exhibitor using NON-OFFICIAL CONTRACTORS, please complete [Form 3–Application for Non-official Contractor](#) for Organizer’s record.
- b) Construction drawings, lighting distribution plan and site work deposit, a copy of valid insurance policy (e.g. Contractor All Risks, Third Party Liability (Public Liability)) should reach the Organizer / official contractor at least six weeks before the commencement of the Exhibition. Late submission is subject to a penalty of HK\$800/US\$100 per item.
- c) No contractor’s badge or vehicle pass will be issued for entry of Exhibition Venue and no custom-built stand will be permitted to be constructed at the Exhibition Venue unless the contractors’ information, construction drawings, lighting plan, site work deposit (including late charge, if applicable) and a copy of valid insurance policy have been received by the Organizer.
- d) Exhibitors may appoint any competent local stand contractor to design and construct their booths. Please ensure that their workers are local workers or have valid working visa/permits to work in Hong Kong. The Organizer reserves the right to reject any contractor and design they deem inappropriate.
- e) All non-official contractors have to wear authorized badges issued by the Organizer, otherwise they are not allowed to enter the Exhibition Hall.

f) Booth Height Limitation

Booth Size	Max. Height
18sqm – 31sqm	4.5m
32sqm or above	5.5m

No stand decorations, standfittings or exhibits with a height over **5.5m** is allowed. This height limited is **STRICTLY ENFORCED**.

- g) Double deck structure with the upper floor for meeting, lounge, reception, display or other activities is subject to the approval of the Organizer case by case.
- h) All stand decorations, standfittings or exhibits with height **over 2.5m** should be submitted to both the Organizer and the HKCEC for approval. The Organizer reserves the right to request the exhibitor to alter their booth design if their booth structure causes obstruction to other exhibitors.
- i) All Stands or Temporary Structures exceeding **3 meters** in height must be constructed under the supervision of an Authorized Person / Registered Structural Engineer. The Authorized Person / Registered Structural Engineer must also verify the stability of the first day of the Open Period. An Authorized Person can either be a Registered Architect (AP-List I), or a Registered Structural Engineer (AP-List II), or a Registered Building Surveyor (AP-List III). Please refer to <https://www.bd.gov.hk/en/resources/online-tools/registers-search/registrationsearch.html> An “Authorized Person” is legally defined in the HKSAR Buildings Ordinance Chapter 123.
- j) No Temporary Structure including Stand **4.5 meters** in height or above may be erected unless a Registered Structure Engineer has verified their **structural calculations\*** and design for stability prior to set-up or erection. The Authorized Person / Registered Structure Engineer must also verify the stability of the Stands or Temporary Structures on-site and submit a safety report to HML prior to the first day of the Open Period.
- \* The structural calculations must be signed off by a Registered Structural Engineer and submitted to the Buildings Department for approval via the Food and Environmental Hygiene Department. Where required approvals by the Hong Kong Government cannot be granted prior to 1 month preceding the show period.
- k) All custom-built participation designs, stand materials used and its construction must conform to the rules and regulations of the Exhibition Venue and those of any public authority or department of the Hong Kong SAR Government.
- l) The layout of exhibits and the stand design shall be planned in consideration of visual effects on neighboring stand and smooth visitors flow. All booths in the exhibition, irrespective of height, must have at least half of any frontage facing an aisle open. No part of any structure or exhibit may extend beyond the boundaries of the space contracted. Any stand partition visible from the aisle must be decorated. The name and booth number of the Exhibitors must be prominently displayed in the booth.
- m) No booth structure or exhibit with height over **2.5m** directly under the fire curtains is allowed.
- n) Top view, floor plan and three dimensional booth design drawings with technical details must be submitted to the Organizer for approval.

- o) Screwing, drilling, nailing or painting on the floor, walls, pillars or any part of the Exhibition Hall are not allowed. Exhibitors will be liable for their appointed contractors if there are any damages to the Exhibition Hall.
- p) Access to all columns within the Exhibition Hall must be maintained with a **minimum 1.5m clearance** space around each column (2.35m diameter) in order to facilitate access to fire hose reels and electrical switching equipment.
- q) Suspensions from the ceiling of the Exhibition Hall are subject to approval.
- r) Exhibitors whose booths are adjacent to another booth must provide their own wall panel. They are not permitted to use the back of the neighbours' wall.
- s) A suitable floor covering, such as carpet or matting must be provided for all booths.
- t) A backwall, except in the case of an "island booth", must be provided.
- u) Where "raw space" booth walls adjacent to lower booth walls, the exposed area must be decorated, above that level, by the Exhibitors building the higher wall.
- v) No part of any structure or exhibit can extend beyond the boundaries of the site allocated.
- w) The transporting, assembling, dismantling and the removing of custom-built stands are the responsibility of the Exhibitor or its appointed contractor. All such work must be carried out according to the arrangements and within the time limits specified in these Conditions or otherwise by the Organizer.
- x) In order to protect our exhibitors' interest and to ensure all contractors' observance of the regulations in the Exhibition Hall, all outside contractors are requested to put a **damage deposit** in advance. Access to the site will not be permitted until the stated deposit has been paid. Should there be no damage or claim from the related parties, the said deposit will be refunded within 14 days after the exhibition close (Please refer to [Form 3](#) for details).

## 6. ELECTRICITY SUPPLY

Please refer to Official Standfitting Contractor's Manual for Technical Specifications.

- 6.1) For safety reasons, **ALL** electrical installation work connecting to the main, at the exhibition venue **MUST** be carried out **SOLELY** by the Official Standfitting Contractor.
- 6.2) Exhibitors requiring special arrangements (e.g. different voltages and frequency or connections to equipment) must arrange for their own transformers, converters, etc. through their own or the Official Stand-fittings Contractor.
- 6.3) Due to the limited electricity supply in the hall, the Organizer may have a ration power supply. Exhibitors are advised to bring along UPS as back up support for their exhibits.
- 6.4) Before lighting and electricity supplied for individual booth, exhibitor who needs preceding electricity supply for test run should contact the official stand-fittings contractor for prior arrangement. Availability of such supplying is subject to extra cost and the possibility of technical arrangement.
- 6.5) No extension cord is allowed to be used.
- 6.6) No multi-plug is allowed to be used.
- 6.7) No flashing / blinking light or neon light are permitted.

## 7. FREIGHT FORWARDING

**Achieve Freight (HK) Limited is the Official Freight Forwarder** for the Expo, who is entrusted with the overall organization of freight / exhibits transportation within the Exhibition Hall.

- 7.1) No truck, car, forklift or handling equipment (trolleys, lifts, jacks, etc.) other than Official Freight Forwarder will be allowed inside the Exhibition Hall.

- 7.2) The Organizer authorizes the Official Freight Forwarder to use the container lifts for delivery of heavy and bulky exhibits. Exhibitors are requested to liaise and make arrangement with the Official Freight Forwarder regarding these items.
- 7.3) Exhibitors shall be responsible for all consequences if their exhibits dimension, weight or floor-loading exceeded the limit stated without prior arrangement with the Official Freight Forwarder.
- 7.4) Exhibitors should obtain a permit from the Organizer prior to the delivery of their hand carried / small items that is through the cargo lifts of Exhibition Centre.
- 7.5) All exhibits are not allowed to be carried into / away from the exhibition venue without the authorized move in / out permit issued by the Organizer. Stand-by security guards have the right to check and collect the move in / out permit.

**Please refer to the section: "Freight Forwarding" for more details.**

## **8. STORAGE FACILITIES**

There is **NO storage space** for empty crates / boxes or packing material in the Exhibition Hall. Exhibitors are responsible for removing them. Any goods or packing material left at the corridor may be disposed of without prior notice and extra removal charges will be incurred. Should you require temporary storage, please contact with our Official Freight Forwarder, contact details can be found at [Useful Contact](#).

## **9. SECURITY & CROWD MANAGEMENT SERVICE**

While the Organizer should take up the necessary security precaution in the interest of the exhibition as a whole, the Organizer is not be liable for any loss or damage of exhibits or other properties of the exhibitor or any injury to persons, whether it is before, during and after the exhibition.

- 9.1) 24 hours general security service will be provided within the exhibition venue, but it is important for all exhibitors to take utmost care of their exhibits and belongings. The Organizer undertakes no responsibility for them.
- 9.2) Exhibitors are recommended to incorporate a lockable cupboard in your booth for souvenirs, consumable & important items and be sure to lock up before leaving your stand at the end of the day or display only when your booth is manned.
- 9.3) On the last day of the exhibition, exhibitors are reminded to remove all items from the cupboard, as the furniture will be collected by the contractor once the show has officially closed.
- 9.4) The stand-by security guards have the right to check all goods moving in or out of the Exhibition Hall.
- 9.5) Exhibitor who shall submit plan i.e. no. of limited offer, promotion date & time to HKCEC and TKS. If required, exhibitor will need to book stanchion and hire security guide, which will be quoted by HKCEC. Exhibitor shall assign their staff to direct visitor to designated queuing area.

## **10. STAND CLEANING**

- 10.1) The Organizer will provide general cleaning of the Exhibition Hall (excluding exhibits) prior to the opening of the exhibition and daily thereafter. It is the responsibility of the exhibitors to keep their stand tidy at all times.
- 10.2) Exhibitors must take their own arrangements for removal of their packing materials, cartons, boxes, crates, construction debris etc. and be responsible for any expenses incurred.

## **11. CAR PARKING**

Public car parks are available at the basement of the venue and parking fee is required.

## **12. LOCAL FORMALITIES (Public Sale, Sales / Promotion Activities, Audio & Visual & Sound governing)**

12.1) **Governing Law**

Exhibitors are required to observe and comply with all the laws of Hong Kong.

12.2) **Selling in Public Days**

The organizer allows exhibitors to conduct retail sales in and only in public days but exhibitors shall observe related Hong Kong laws.

The following are taken recently from related official websites, but we do not make any guarantee and any usage is at one's own risk. If necessary, exhibitors shall make their own study and if in doubt seek legal/official opinion! Remember, the easiest and safest way, likely, is to work with travel agents/partners in Hong Kong.

**I. Travel Agents Ordinance (TAO)**

A travel agent as a person who carries on following business in Hong Kong of obtaining for another person, is under TAO and need a Hong Kong Travel Agent License

- A. carriage by any means of conveyance on a journey which is to commence in Hong Kong and which thereafter is to take place mainly outside Hong Kong; or
- B. accommodation at a place outside Hong Kong for which payment is, or is to be, made to that person by or on behalf of that other person of an amount of the cost of that accommodation,

For details, please visit: <http://www.tar.gov.hk/eng/travel/highlights.html#11>

**II. Notes for franking package tour receipts**

A package tour is an outbound travel service consisting of two or more of the following three components:

- (i) carriage (by land, sea or air transport) from Hong Kong to places outside Hong Kong;
- (ii) accommodation outside Hong Kong; and
- (iii) arrangements for an activity outside Hong Kong.

For which must be franked in order to pay the outbound levy, which must be borne by TIC members and the amount of which must be equivalent to 0.15% of the outbound fare concerned.

E-levy system as completely replaced all franking machines from 1 July 2019, please refer to TIC website for details

Please visit: [http://www.tichk.org/public/website/en/member\\_service/service\\_levy/html](http://www.tichk.org/public/website/en/member_service/service_levy/html)

**III. WORKING VISA FOR ON-SITE NON-HK RESIDENTS**

During ITE (including move-in and move-out days), exhibitors who would like to appoint non-HK residents to work at the booths, please note the Hong Kong Immigration Regulations.

Under the Hong Kong Immigration Regulations, permission given to a person to land in Hong Kong as a visitor shall be subject to the conditions of stay that he shall not take any employment whether paid or unpaid; establish or join in any business; and become a student at a school, university or other educational institution.

Non-HK resident exhibitors who would conduct retailing activities during at the booths, please apply for the appropriate visa. Exhibitor is suggested to hire Hong Kong resident to conduct retailing activities.

For any question, please contact the Immigration Department:

Tel: (852) 2829 3194

Fax: (852) 2136 6334

Email: [enquiry@immd.gov.hk](mailto:enquiry@immd.gov.hk)

FAQ: <http://www.immd.gov.hk/eng/faq/visit-transit.html>

- 12.3) Competition or scheme promoted, conducted or managed for the purpose of promoting a trade/business/product sale by way of a game that distributes or allots prizes by lot/chance (e.g. lucky draw) will be defined as Trade Promotion Competition and might need to apply for the Trade Promotion Competition Licence at 2 weeks before launching your promotion activity. For details, please refer to the [Application Forms and Guide for Applicants](#).

For any questions, please contact the Office of the Licensing Authority:

Tel: (852) 2117 3916 / 2117 3798

Fax: (852) 2511 3860

**12.4) Censorship and Films / Audio-Visual Demonstration**

I. Any films, video cassettes or 35mm slides to be shown to the public during the exhibition must be sent personally to the Board of Film Censors for censorship clearance at least two weeks prior to the exhibition. This will be strictly enforced. Further clarification can be obtained, please refer "[USEFUL CONTACT INFORMATION](#)"

II. All audio-visual demonstration must not cause annoyance to visitors or other Exhibitors through excessive sound or by its location. The Organizers reserve the right to terminate any audio-visual presentation at Organizer's own discretion.

**12.5) Public Performance of Sound Recording**

Exhibitors who are going to broadcast and perform all sound recordings in the public are reminded to apply public requisite licenses from the following organization in advance. Further clarification can be obtained, please refer "[USEFUL CONTACT INFORMATION](#)"

**13. DEMONSTRATION AND OPERATION OF EXHIBITS**

An exhibitor intending to demonstrate or operate equipment at their stand must:

- 13.1) Provide the Organizer with full details, in writing, or any operating machineries involved.
- 13.2) Ensure the exhibits are operated under strict control and comply with proper safety conditions.
- 13.3) Ensure the exhibits are equipped with sufficient safety devices that may be removed only when the machines are not in operation and not connected to the power source.
- 13.4) Adequately guard all moving parts of the machines against possible injury to any person.
- 13.5) Cause no annoyance to visitors or other exhibitors. Acceptable noise level will be at the Organizer's discretion. Any complaints raised which the Organizer finds justifiable, the Organizer reserves the right to impose limitation on the operation of the exhibit.
- 13.6) The use of industrial gas of inflammable or toxic nature for demonstration purpose is not permitted.
- 13.7) Exhibitors are responsible for the removal and disposal of waste materials generated by working demonstration of exhibits.

**14. NOISE CONTROL**

Any complaints raised which the Organizer finds justifiable, the Organizer reserves the right to impose limitation on the operation of the exhibits / performance / activities.

In order to hold the exhibition smoothly, noise control measures will be adopted. Noise levels indicated below are meant for public days only, and shall be cut down by around half in trade days which require quieter environment for conducting business and the organizer reserves right to stop performances, singing, music or broadcasting deemed disruptive or impeding neighboring exhibitors to conduct business. It is beneficial to all exhibitors. Thank you for your understanding and cooperation!

Exhibitors are prohibited from causing annoyance to visitors or other exhibitors. The following Noise Level Restrictions apply:

- 14.1) Equipment used in any part of show must not generate noise that exceeds a max. permitted noise level of 50Db
- 14.2) General background noise shall not exceed 60dB.
- 14.3) Entertainment features shall not exceed 70dB.

## 15. FIRE & SAFETY MEASURES

### 15.1) Dangerous Material

- a. No fire or spark is allowed in the Exhibition Hall.
- b. Do not keep empty container of lubricants in your booth.
- c. The Organizer may, upon instruction from the fire authority, issue other guidelines.
- d. No naked lights and lamps or flammable and explosive gas can be used in the Exhibition Hall.
- e. Exhibitors are required to declare to the Organizer, details of any inflammable, explosive or radioactive article in order to facilitate safety inspection by local authorities, and to enable the Exhibition Hall Authorities to take appropriate protective measures.
- f. For fire and safety reasons, the amount of diesel and lubricant that exhibitors permitted to place in their booths is just for daily consumption **ONLY**.

### 15.2) Fire & Safety Regulations

- a. Smoking is prohibited in the Exhibition Hall.
- b. Exhibitors or Contractors shall arrange the work to be carried out by a Class 2 Registers Fire Service Installation Contractor, and submit a **fire certificate (FS251)** to this effect from the fire Contractor to the Organizer as documentary proof of compliance on move-in day.

#### Fire Certification

HKCEC, the venue would like to remind exhibitors that booth decorations such as sticker on foam board must comply with the Fire Safety Requirements and following will be strictly enforced by the First Services Department during the exhibition period.

All construction and decoration materials should be fire-retarded and conformed to the fire protection and construction regulations. All draperies, curtains and decorative shall be made of fire resistant material and conform to standard. Exhibitors or Contractors shall arrange the work to be carried out by a Class 2 Registers Fire Service Installation Contractor, and submit a **fire certificate (FS251)** to this effect from the fire Contractor to the Organizer as documentary proof of compliance on move-in day.

Note – HKCEC / The Organizer reserves the discretion right to close any booth that fails to provide the requisite document (FS251) on the move-in day (5 Aug 2020).

Exhibitor can also liaise with the following consulting companies if needed.

Company Name	Ming Hing Fire Engineering Co.	Wing Kai Fire Engineering Co.
Address	3/F, Golden Mansion, 648 Shanghai Street, Mongkok, Kowloon	Unit 1, 7/F, Henley Ind. Centre, No.9 Bute Street, Mongkok, Kowloon
Tel	(852) 2390 3332	(852) 2388 5718 / 9468 5109
Contact Person	Mr. Fong Man Wai	Mr. Chan Kin Sang

## 16. FOOD & WINE TOUR – FOOD & BEVERAGES DISTRIBUTION

- 16.1) Basically, samples of food or beverage, which are related to travel, may be distributed subject to written approval being obtained from HKCEC.
- 16.2) All samples of food or beverage are not for sale. Only free sampling is allowed.
- 16.3) Exhibitors will have to adhere to the conditions stated on the "[Authorization Request Form](#)" and return the completed the form to the organizer and pass to the F & B Department of HKCEC for approval.
- 16.4) Any samples distributing activities without prior approval will be removed by organizer.
- 16.5) Selling food or beverage items onsite is strictly prohibited.
- 16.6) Hong Kong Convention and Exhibition Centre (Management) Ltd "HKCEC" remains to have the exclusive food and beverage distribution rights within the centre. To order Food & Beverages from HKCEC, please refer to the Section: "Other Services" in this manual.

## 17. TELECOMMUNICATION SERVICES

### 17.1) **Telephone / Facsimile**

For booking Telephone line (both local and IDD), Facsimile line, please complete **Form 11**.

### 17.2) **Broadband Wireless Internet Access**

Hong Kong Convention and Exhibition Centre (HKCEC) provide FREE WIFI services. For details / steps for connections, please visit: <https://www.hkcec.com/en/complimentary-wi-fi-service>. However, as this service may be utilized by a considerable amount of users, unstable connection may be resulted occasionally. To ensure continuous throughout the fair period, it is recommended to order a fixed broadband line on a rental basis by completing the **Form 11**.

## 18. MOVE-IN & MOVE-OUT INSTRUCTIONS

18.1) When moving vehicles and / or forklifts are being operated in connection with building-up or breaking-down of the exhibition stands, all licensees, their staff and any person requiring admission to licensed areas, will be required to wear a Reflective Safety Vest.

18.2) Exhibitors are required to follow the "Move-out Schedule and Instructions" issued by the Organizer.

18.3) The Organizer and the Official Freight Forwarder will discard all items or exhibits laying in the exhibition venue without proper instructions after the move-out period.

### 18.4) **Move-out Arrangement**

As there are other exhibitions move-out on the same day (9 Aug 2020) with ITE, HKCEC will use **Tsing Yi site as "Off-site marshalling"**. Contractor's / Forwarder's vehicle is required to collect "Trip Ticket" at HKCEC Tsing Yi marshalling area (click [here](#) for site map and arrangement details) then show it with your Move-Out VP when entering the loading area of HKCEC Wanchai.
